EDUCATION

Monash University

Bachelor of Computer Science • Advanced Computer Science

Bachelor of Commerce • Econometrics

Feb 2023 - Nov 2026

Melbourne, Australia

- WAM: 87.185
- Achievements: IT Excellence Scholarship

EXPERIENCE

Monash University

Programming Bootcamp Tutor

Feb 2024 - Mar 2024

Melbourne, Australia

- Conducted sessions introducing Python to undergraduate and postgraduate students.
- Covered topics including functions, loops, and data structures to establish strong foundational skills.

Mathematics Tutor

Ezy Maths Tutoring

Dec 2022 - Nov 2023

Melbourne, Australia

- Organized and prepared classes for year 12 students in Specialist Maths and Mathematical Methods.
- Developed a specialized teaching strategy catered to students.

PROJECTS

YouTube Clone | *TypeScript, Next.js, Express.js, GCP, Firebase, Docker*

GitHub

- Designed and implemented a full-stack application replicating core YouTube functionalities.
- Leveraged Google Cloud Platform for scalable backend services and Firebase for user authentication and data storage.
- Built the frontend using Next.js for server-side rendering and optimized performance.

Markdown to HTML Parser | *Haskell, TypeScript, RxJS, REST API*

GitHub

- Developed a seamless Markdown-to-HTML parser, with back-end in Haskell and front-end in TypeScript.
- Leveraged functional programming principles to ensure efficient and reliable text conversion across platforms.

Movie Vault [Demo] | *React.js, HTML, CSS, JavaScript, REST API*

GitHub

- Developed a movie discovery web app using React (Vite), JavaScript, HTML, and CSS.
- Integrated the website with the TMDB API to fetch and display movie details dynamically.
- Implemented search and like functionality for users to find and save movies locally using browser storage.

Guitar Hero | *TypeScript, RxJS*

GitHub

- Developed a rhythm game using functional reactive programming with RxJS in TypeScript.
- Implemented features such as song import functionality, scoring system, and multiplier mechanics.

EXTRACURRICULAR

- IMC Launchpad Program attendee (2024).
- Citadel Securities Discovery Program attendee (2024).
- Jane Street SEE Program attendee (2024).

TECHNICAL SKILLS

Selected Languages

Python, Java, JavaScript, TypeScript, SQL, R

Selected Tools

Git, Linux, Docker, Express.js, React.js, GCP, HTML/CSS

Spoken Languages

English (native), Chinese (native)

Monash University Unofficial Student Academic Record

Shengdie Wang

Student ID: 33899835

Course: BACHELOR OF COMMERCE AND BACHELOR OF COMPUTER SCIENCE (B2008)						
Category		Title		Code	Status	
SPECIALISATION		Advanced computer science		COMPSCI03	NOMINATED	
MAJOR		Econometrics		ECONOMTR05	NOMINATED
