EDUCATION

Monash University

Bachelor of Computer Science • Advanced Computer Science

Bachelor of Commerce • Econometrics

Feb 2023 – Nov 2026 (Expected)

Melbourne, Australia

- WAM: 88.278
- Achievements: IT Excellence Scholarship

EXPERIENCE

Citadel Securities

Discover Citadel Participant

Aug 2024

Sydney, Australia

- Gained insights in quantitative research, software engineering and trading at Citadel Securities.

Jane Street

SEE Program Participant

Jul 2024

Hong Kong SAR

- Gained in-depth knowledge of computer science fundamentals from software engineers at Jane Street.
- Explored functional programming concepts and participated in Jane Street's in-house electronic trading challenge.

Monash University

Programming Bootcamp Tutor

Feb 2024

Melbourne, Australia

- Conducted sessions introducing Python to undergraduate and postgraduate students.
- Covered topics including functions, loops, and data structures to establish strong foundational skills.

PROJECTS

Electronic Trading Bot | *Python*

- Project completed as part of the electronic trading challenge hosted by Jane Street.
- Developed algorithms to trade a wide range of financial instruments such as bonds, ADR and ETFs.

Face Merge | *Python*

- Developed a face detection program in Python using the Face++ API.
- Integrated the merge rate parameter, allowing precise control over the degree of merging in the resulting image.

COMMUNITY

Monash Algorithms & Problem Solving Society

Member

- Monash Collegiate Programming Competition
- Data Structure-less Competition
- Advent of Maps Competition

TECHNICAL SKILLS

Selected languages	Python • Java • JavaScript • SQL
Selected tools	Oracle • MongoDB • HTML/CSS • Excel • Git
Spoken languages	English (native) • Chinese (native)

Monash University Unofficial Student Academic Record

Shengdie Wang

Student ID: 33899835

Course: BACHELOR OF COMMERCE AND BACHELOR OF COMPUTER SCIENCE (B2008)
